To the attention of the International Piano Competition Ettore Pozzoli

Dear Mrs. Filomena Solito,

Thank you for your interest in the World Federation of International Music Competitions.

As a member, you will enjoy a range of benefits and opportunities. Among those: our annual Assembly (2022 Bydgoszcz, 2023 Harbin, 2024 Parma) and Regional Meetings (2022 Pretoria), which are now held in a hybrid manner (you can take part even if you are unable to travel). Besides, we offer regular WFIMC Lounges- exclusive online panel discussions on competition-related subjects. Our monthly newsletters offer additional information, updates, and reports of recent competitions and their winners. Your own competition will be featured in the newsletters, our social media, and on our website, where all winners receive their own profile page with photos, video, and more.

You are in good company: among our members are most of the world's major music competitions. Exchanges, discussion, communication among the membership are maybe the most important features of the Federation.

Our application process takes a little bit of time: once you have filled out the online application form, our secretariat will look through the data and present the application to the WFIMC Board of Directors. Once they approve, the application will be given to the membership for approval at the next General Assembly of the Federation. This General Assembly will be held next June, so we will be able to confirm your membership only then.

Please note also the fees involved: once your competition has been approved, there is a (one time only) new member fee of CHF 2600 as well as the regular annual fee of CHF 2850.

The online application can be found here: <https://form.jotform.com/212713901324345>
Application deadline is February 28, 2022.

For further information, we attach here our Statutes and Recommendations.

We remain at your disposal for any questions you may have, and we look forward to hear from you.
Thank you again, and with kind regards
